1 BACKGROUND

Jigsaw CABAS® School is an inclusive school, committed in policy and practice to recognition of the equal value of each member of the community and to equality of opportunity for all.

In determining the Exclusion policy of Jigsaw CABAS® School, the safety of pupils and staff is of paramount importance.

2 THE POLICY

2.1 THE DECISION TO EXCLUDE

A decision to exclude a pupil will only be taken where allowing the pupil to remain in school would:

- Compromise the welfare and safety of the pupil or others in the school
- Seriously harm the education of the pupil or others in the school

The school expects the same standards of behaviour and behaviour management to apply when pupils are outside of school on off site activities as when in school.

Only the Director of Education has the authority to exclude a pupil and this authority may not be delegated.

Any decision to exclude a pupil will only be taken, other than where there is an immediate threat to the safety of the pupil or others, following:

- An appropriate investigation of the behaviour that has led to the need to consider exclusion
- Consideration of all the evidence
- Consultation with any other appropriate professionals including the placing LA
- An opportunity for the pupil, where able, to give their version of events.

Wherever possible, the school will liaise with the placing LA where it becomes apparent that there is a situation developing that may lead to exclusion in order to work with the LA and parents to resolve the difficulty.

Exclusions will be kept to a minimum for any one episode.

2.2 ALTERNATIVES TO EXCLUSION

Where feasible, the school will look at one or more of the following alternatives to exclusion:

- Modifying the behaviour guidelines of the child to seek to address the behaviour and issues exhibited. Behaviour guidelines to be reviewed by Senior staff including staff not allocated to this pupil.
- Increased staffing to be provided. To apply for increased funding from the Local Authority.
- Working in isolation from peers – removal of the pupil from the class to a designated area within the school with appropriate support.
- A managed move – if the behaviour of the pupil is such that the school cannot provide an appropriate placing, the school may request the placing Local Authority to initiate an interim review and/or to make alternative educational provision.

2.3 PERIOD OF EXCLUSION

The period of exclusion may be for:

- One or more fixed periods not exceeding a total of 45 school days in any one school year
- Permanent exclusions and any fixed-period exclusions which result in the pupil being excluded for more than five school days (singly or cumulatively) in a term must immediately be reported to the governors and the LA.
- Permanent exclusion
- A fixed period exclusion may be converted into a permanent exclusion if the circumstances warrant

The school will endeavour to provide suitable work for the child during the period of any fixed term exclusion having regard to the teaching approach of the school

2.3.1 Review of Exclusions

The Monitoring Pair responsible for the Behaviour and Welfare of Pupils will report any exclusions to the next Governing Body meeting following the exclusion of a pupil.

2.3.2 Procedures for Excluding a pupil

The Director of Education will notify the parents by letter within one school day of any decision to exclude. Where possible, immediate telephone contact will be made with the parents.

The written notification of exclusion will advise:

- The period of exclusion
- The reason for exclusion

- The parent's right to make representations about the exclusion to the Governing Body and the date by which this should be received
- The parent's right to request copies of their child's school record

In addition, the Director of Education will advise within one school day the following of any decision to exclude:

- All members of the Disciplinary Committee including the Chair of Governors
- The Authority Contracts Officer at the placing Local Authority and look to convene an interim review meeting at the earliest opportunity.

All exclusion cases will be treated in strict confidence.

Where a fixed period exclusion is extended or converted to a permanent exclusion, the Director of Education will write again to the parents explaining the reason.

The Disciplinary Committee will be elected by the Board of Governors annually and will comprise between three and five governors. Any member of the Disciplinary Committee with a connection with the pupil or knowledge of the incident that could affect their ability to act impartially may not take part in the review of that exclusion. Quorum for the Disciplinary Committee is three members.

Meetings of the Disciplinary Committee will be convened in accordance with the following:

Fixed period exclusions totalling 5 school days or less in any one school term	Only if written representations are received from the parents
Fixed period exclusions totalling more than 5 but less than 16 school days in any one school term	Between the 6 th and 15 th school day following notice of exclusion
Permanent exclusions or fixed period exclusions totalling more than 15 school days in any one school term	Between the 6 th and 15 th school day following notice of exclusion

The Director of Education and parents will be invited to the meeting at a time and place convenient to all parties

The purpose of review by the Disciplinary Committee is to consider whether the Director of Education's decision to exclude the pupil was justified considering:

- The circumstances in which the pupil was excluded
- Any representations made by the parents

The Disciplinary Committee will inform the parents, the Director of Education and the placing LA of their decision within one school day of the meeting, stating their reasons.

Where the Director of Education has recommended permanent exclusion, this will not be confirmed until:

- The placing LA and parents have been given an opportunity to attend a meeting with the school, such meeting to take place within 15 school days.

- A further 5 school days has elapsed from such meeting, to allow the school to consider any representations and determine whether the exclusion should be upheld.
